APPROVAL OF THE CONSENT AGENDA

Chairman D. Hansen stated we will forgo the Consent Agenda and discuss these listed items individually.

Minutes: May 18, 2021

Chairman D. Hansen requested that the Minutes from May 18, 2021 be removed from the Consent Agenda for further consideration.

Sussex County Health Department Reports for April, May, June, July and August 2021:

Chairman D. Hansen requested that the Sussex County Health Department Monthly Reports from April 2021 – August 2021 be removed from the Consent Agenda for further consideration.

CONSENT AGENDA ITEMS TO BE DISCUSSED SEPARATELY

Minutes: May 18, 2021

Chairman D. Hansen stated in the absence of T. Berkheiser, the 4 of them will review May 18, 2021 minutes and vote on them.

A MOTION was made by S. Rude and seconded by Vice Chairman E. Hayes, with all members in favor to approve the May 18, 2021 meeting minutes.

Sussex County Health Department Activity Report April 2021

Chairman D. Hansen did not have any questions on this activity report. He noted the activity report consisted of all septic work and food licensing.

A MOTION was made by Vice Chairman E. Hayes and seconded by S. Rude, with all members in favor, to approve the Sussex County Health Department Activity Report April 2021.

Sussex County Health Department Activity Report May 2021

Chairman D. Hansen noted May consisted of septic, well and food licensing reports. Chairman D. Hansen asked C. Whitehead about 84 Glenbrook Drive complaint. C. Whitehead stated the complaint was made pertaining to hazardous leaks from a small broken engine and car parts on the property. C. Whitehead when she went out to investigate the complaint, she did not notice any fluids leaking from the equipment and the absence of hazardous fluids on the grounds.

A MOTION was made by Vice Chairman E. Hayes and seconded by Chairman D. Hansen, with all members in favor, to approve the Sussex County Health Department Activity Report May 2021.

Sussex County Health Department Activity Report June 2021

Chairman D. Hansen showed concern in the amount of rabies activity in the June 2021 report and asked C. Whitehead if there was a reason in the increase in activity. C. Whitehead said the reason for the increase in appearance of rabies on the report is due to the fact that they have a new employee whose main focus is on rabies cases. The new employee is actively following up on the rabies cases therefore the same cases keep reappearing. Each time they reach out to follow up on the rabies case, it is noted in the activity report for record keeping. Chairman D. Hansen reiterated if we are keeping better track of them, that is why we are seeing them more.

A MOTION was made by S. Rude and seconded by Vice Chairman E. Hayes, with all members in favor, to approve the Sussex County Health Department Activity Report June 2021.

Sussex County Health Department Activity Report July 2021

Chairman D. Hansen asked to review the last couple entries on July 2021 activity report involving the Safe Water Complaint at Baleville Church and Camp Auxilium. Sussex County Health Department J. McDonough relayed information that Baleville Church's water sample came back bad. They had to resample and perform an assessment in order to determine what the cause was for failing. Marcia Chirico is currently working with them and providing guidance to for the regulatory requirements of the Safe Drinking Water Act. It was labeled as a complaint on the report because that was the closest equivalent code, they had to compliance assistance. All resamples take in September came back negative for Total Coliform and E. coli. They do require additional requirements so it is likely they will show up on future reports. Camp Auxilium had a past violation from the state regarding elevated lead levels. They reported that they will be installing corrosion control most likely within the next year to address the issue. In 2019 water system standards became more stringent however, as of right now, nothing is wrong with either facility's water system.

A MOTION was made by Vice Chairman E. Hayes and seconded by S. Rude, with all members in favor, to approve the Sussex County Health Department Activity Report July 2021.

Sussex County Health Department Activity Report August 2021

After reviewing August 2021 activity report, S. Rude expressed concern of the condition of property on Frank Chandler Road. Chairman D. Hansen addressed Secretary D. Juarez to have Zoning Official B. Huber look into the property and its condition.

A MOTION was made by S. Rude and seconded by Vice Chairman E. Hayes, with all members in favor, to approve the Sussex County Health Department Activity Report August 2021.

OLD BUSINESS

No Old Business

NEW BUSINESS

1. Water Testing at Municipal Building and Pavilion.

Secretary D. Juarez stated a UV light system in. Chairman D. Hansen stated the water was running clean and after all the rainfall, the well is testing positive for E-coli. The Township is placing a UV Light at the pavilion and municipal well.

2. Three Silos Farm

Chairman D. Hansen stated when the farm became Three Silos Farm, the owners had the intent of operating it as a farm. Presently, they have turned it into a venue and have held numerous events. They were told several times by the Zoning Officer B. Huber that they needed planning board's approval. The Township has not seen any plans. They are allowed to do certain things under the Agriculture Board; however, fireworks and such events are not covered under that Board. We have also been informed that Layton Hotel provides catering. C. Whitehead stated Three Silos was approved for a Food Handler's Permit to hold a farm stand which deems the right to handle and sell prepackaged and whole USDA approved meats and vegetables. They should not be selling other items without a proper kitchen. For events that would be temporary, they would need to file and submit a Temporary Food Handler's Application with the County and Hampton Township. C. Whitehead said they do not currently have any open permits. Chairman D. Hansen asked that they table any permits that come through until they follow rules and regulations within the township.

3. Rabies Clinic

Chairman D. Hansas stated we are holding the Free Rabies Clinic for dogs and cats Saturday, November 6, 2021.

4. Vending Machine License Issued – Toyota World of Newton

Secretary D. Juarez stated she issued Toyota World of Newton a 2021 Vending Machine License. The car dealership had switched managers and the Vending Machine License never got renewed. It is now in good standing for the remainder of the year.

5. Food Handler's License Issued – Homer's Girls, Interstate Caterers, Kittatinny Football Association

C. White head stated they inspected Homer's Girls and the Kittatinny Football Concession stand. Interstate Caterers did not file a permit with the Sussex County Board of Health only Hampton Township and therefore they did not get inspected. Secretary D. Juarez stated Wine Traders came in Friday afternoon to do the Food Handler's Permit and Fire Certification. C. Whitehead told Secretary D. Juarez to remind them they also need one with the County.

6. 12 Glenbrook Dr. - complaint

J. McDonough stated he was at the property today. Septic overflowed into the basement and outside the residence. When he got to the residence the water had gone down quite a bit to 3-4 inches versus feet. Originally, the Landlord did try to get a Septic Company there, however, the lid to the septic is under a crawl space and they were not equipped to handle that. They handed it to another septic company who then said it was flood water. That was when the Fire Department was called and responded. They said it was not flood water it was indeed septic water and needs to be pumped out. Sussex County will be issuing a Notice of Violation to the Landlord tomorrow to get it rectified.

CORRESPONDENCE

1. NJ Health Revised Guidance Document: Required Holding Periods for Impounded & Surrendered Animals in Licensed Pounds & Shelters

Chairman D. Hanses requested Secretary D. Juarez forward the document along for informational purposes to the 2 veterinary clinics in Hampton Township.

PUBLIC SESSION

Public Session Open. No Public Comment. Public Session Closed.

ADJOURNMENT

A **MOTION** was made by S. Rude, and seconded Vice Chairman E. Hayes, with all members in favor, to adjourn the meeting at 7:40 PM.

Respectfully submitted by,

Diana Juarez
Board of Health Secretary
