### **Our Mission**

The Kittatinny Education Foundation was founded in 2019 as an independent, 501(c)(3) nonprofit organization designed to expand and enrich the educational experience for all students at Kittatinny Regional High School. The KEF raises private funds, develops community partnerships, and advocates for Kittatinny's students and teachers by supporting staff initiatives that fall outside of existing budget parameters.

### **Our Vision**

To involve our greater community in fundraising and charitable giving efforts to strengthen our educational programming which supports teachers' creative endeavors and inspires our students, preparing them for college, careers, and future community involvement.
