Special Education Parent Advisory Group

We are looking for volunteers to be a part of our Special Education Parent Advisory Group (SEPAG). It is a volunteer group of parents and guardians that provides input to the district as well as support and information to parents and caregivers of children with special needs. If interested, please click the button below.

What is SEPAG?

It is an advisory group that is a state-mandated, district-level, parent-driven group charged with providing input to the local school district on system-level challenges in special education and related services.

What SEPAG is not?

It is not an advocacy assistance group, a support group, or a special education parent-teacher organization.

Kittatinny SEPAG Mission Statement

The mission of the Kittatinny Education Parent Advisory Group (SEPAG) is to provide a forum for parents of children with special needs to discuss current practices, policies, services, and programs that have a direct impact on students with disabilities. The Kittatinny Education Parent Advisory Group (SEPAG) meets to collaborate with the district's Director of Student Services of Special Education to ultimately develop and implement programs that meet the needs of special education students and families in the district. Kittatinny Education Parent Advisory Group (SEPAG) offers the opportunity to raise questions, to voice your concerns, and to provide direct input regarding support services. Kittatinny Education Parent Advisory Group (SEPAG) also provides parents and families opportunities to learn about district programs, services and resources.

PSAT 8/9

Attention Freshman Parents:

As part of our college and career readiness efforts at Kittatinny HS, we strive to set all students up for success. That's why we're offering the PSAT 8/9—the first test in

the SAT® Suite of Assessments—to our 9th-grade students. Results from this assessment help us establish a baseline for each student as they start their high school journey. The results help us focus classroom instruction and support your child's growth.

Taking the PSAT 8/9 can also help your child to:

- Know where they are and where they want to go.
- Find out what AP® courses they're ready to take.
- Explore college and career options.

This spring, the PSAT 8/9 will be administered in a new digital format that will provide an overall easier testing experience for students. Your child will take the PSAT 8/9 on March 5 using their school-issued device and scores will be released in mid-April.

If you or your child have questions about the PSAT 8/9, please reach out to me or your child's counselor—we can help!

Kittatinny Education Foundation

The Kittatinny Education Foundation (**KEF**) would like to invite all members of the Kittatinny School Community, which includes current Cougar Parents, Cougar Alumni, and parents of our Cougar Alumni, to join in our efforts to enhance the educational opportunities for all of our students in the Kittatinny School District and to engage the entire community in philanthropic giving that strengthens our public schools, supports our teachers, and inspires our students.

The **KEF** is a philanthropic Non-profit 501-3C organization whose goals are to raise private funds **which are tax deductible donations**. These funds will assist in helping to provide the excellent programs that Kittatinny has long been known for in our school and around our campus. This funding will help offset the loss in aid that we have experienced over these last five years due to state aid cuts and will allow our school and programs to thrive. Our vision is to provide our School Community with the same quality programs and facilities that are a hallmark of Kittatinny, by raising money through sponsorships, private donations, and fundraising events. These fundraising events will become regular opportunities to reconnect and have some fun with former Kittatinny Cougar families as well as our current Cougar families. Although some of us have moved away, many in our Cougar Community still live in our area and we hope that ALL of our Cougar Family, near and far, would enjoy an opportunity to reconnect with our Cougar Nation!

If you are interested in getting involved with and want to help the **KEF** please send your email and cell phone information to:

Mrs. Jane Meyers (Jane Meyers)

jjunoir@krhs.net

or

Dr. Craig Hutcheson

chutches@krhs.net

We thank you for everything you do for the Kittatinny Community and we hope to connect with everyone very soon!

With Warm Regards,

The Kittatinny Education Foundation

National Assessment of Educational Progress (NAEP)

Attention Senior Parents and Senior Students:

Kittatinny Regional High School will participate in the National Assessment of Educational Progress (NAEP) on Tuesday, February 27, 2024. If you have been selected to participate in the NAEP, you will receive a Notification Letter in the mail. NAEP is the largest nationally representative and continuing assessment of what students know and can do in various subjects. NAEP is administered by the National Center for Education Statistics, within the U.S. Department of Education. NAEP is different from our state assessments because it is a common measure of achievement across the country. The results are released as The Nation's Report Card, which provides information about student achievement to educators, parents/guardians, policymakers, and the public.

Your child (will/may) take a mathematics, reading, or science assessment. In addition to subject-area questions, students voluntarily complete NAEP survey questions. These questions provide valuable information about participating students' educational experiences and opportunities to learn both in and outside of the classroom. More information about NAEP survey questions is available at

<https://nces.ed.gov/nationsreportcard/parents> under the section "What Questions Are on the Test?"

The assessment takes about 120 minutes for most students, which includes transition time, directions, and completion of survey questions.

The information collected is used for statistical purposes only.

- Your child's grades will not be affected.
- Students may be excused for any reason, are not required to complete the assessment, and may skip any question.
- While the assessment is voluntary, NAEP depends on student participation to help policymakers improve education. However, if you do not want your child to participate, please notify me in writing by Monday, January 22, 2024.
- Upon completion of the assessment, NAEP participants will receive a Certificate of Community Service.

There is no need to study in preparation for NAEP, but please encourage your child to do their best. Contact Sharon Falchetta at 973-383-1800, ext. 1270 or at sfalchet@krhs.net if you have any questions.

It is exciting that Kittatinny is participating in NAEP. I am sure that Kittatinny Regional High School's students will show what our nation's students know and can do.

National Center for Education Statistics (NCES) conducts the National Assessment of Educational Progress to evaluate federally supported education programs. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). By law, every NCES employee as well as every NCES agent, such as contractors and NAEP coordinators, has taken an oath and is subject to a jail term of up to 5 years, a fine of \$250,000, or both if he or she willfully discloses ANY identifiable information about you. Electronic submission of your information will be monitored for viruses, malware, and other threats by Federal employees and contractors in accordance with the Cybersecurity Enhancement Act of 2015.
