A message from the KRHS Project Graduation 2024 parent committee

ATTENTION PARENTS AND GUARDIANS OF THE CLASS OF 2024

KRHS PROJECT GRADUATION 2024

We're thrilled to announce that Project Graduation is making a comeback for the Kittatinny Regional High School Class of 2024! On the night of graduation, students will return to school at 10:00 pm to enjoy an overnight chaperoned party in a safe, drug-free, and alcohol-free environment. This is a cherished tradition of fantastic activities and we aim to ensure it's an unforgettable experience for our graduates. Project Graduation is a lock-down party and once the students arrive they will not be allowed to leave until their parents/guardians pick them up at the end of the event.

Please note that this event is not school-sponsored, and as such, the funding for Project Graduation relies on contributions from parents and donations. The anticipated cost of this event is \$30,000.

To ensure Project Graduation's success, we're seeking your support. Our main fundraising effort is set to kick off through Snap! Raise. The students will have the opportunity of setting up an account in school. If they are unable to set up an account, below are the directions on how to do so. This must be done by February 29th as this fundraiser will go live on March 1st and will end on March 28th. The students will supply email addresses of family and friends willing to contribute to this special occasion. These contacts will be kept confidential. Once your student uploads their contacts, the Snap! Raise platform will handle the rest. Simultaneously, a Naviance letter containing the same information will be sent out to parents, as we may not possess all student and/or parent email addresses.

Attached you will find a business donation form. Please pass along to any business owners that would like to make a tax-exempt donation. Please provide your email address if you did not receive an email from krhsprojectgradfund@gmail.com so we can include you on future correspondence. We have a facebook page called Senior Class of 2024 -

Kittatinny Class of 2024 - Project Graduation.

We would like to thank all the volunteers that helped with Clean Communities, Gift wrapping and working the concession stand. It was very much appreciated.

Please contact krhsprojectgradfund@gmail.com if you have any questions.

Thank you,

Class of 2024 Project Graduation Committee

obligations have been fulfilled:

National Assessment of Educational Progress (NAEP)

Attention Senior Parents and Senior Students:

Kittatinny Regional High School will participate in the National Assessment of Educational Progress (NAEP) on Tuesday, February 27, 2024. If you have been selected to participate in the NAEP, you will receive a Notification Letter in the mail. NAEP is the largest nationally representative and continuing assessment of what students know and can do in various subjects. NAEP is administered by the National Center for Education Statistics, within the U.S. Department of Education. NAEP is different from our state assessments because it is a common measure of achievement across the country. The results are released as The Nation's Report Card, which provides information about student achievement to educators, parents/guardians, policymakers, and the public.

Your child (will/may) take a mathematics, reading, or science assessment. In addition to subject-area questions, students voluntarily complete NAEP survey questions. These questions provide valuable information about participating students' educational experiences and opportunities to learn both in and outside

of the classroom. More information about NAEP survey questions is available at <https://nces.ed.gov/nationsreportcard/parents> under the section "What Questions Are on the Test?"

The assessment takes about 120 minutes for most students, which includes transition time, directions, and completion of survey questions.

The information collected is used for statistical purposes only.

- Your child's grades will not be affected.
- Students may be excused for any reason, are not required to complete the assessment, and may skip any question.
- While the assessment is voluntary, NAEP depends on student participation to help policymakers improve education. However, if you do not want your child to participate, please notify me in writing by Monday, January 22, 2024.
- Upon completion of the assessment, NAEP participants will receive a Certificate of Community Service.

There is no need to study in preparation for NAEP, but please encourage your child to do their best. Contact Sharon Falchetta at 973-383-1800, ext. 1270 or at sfalchet@krhs.net if you have any questions.

It is exciting that Kittatinny is participating in NAEP. I am sure that Kittatinny Regional High School's students will show what our nation's students know and can do.

National Center for Education Statistics (NCES) conducts the National Assessment of Educational Progress to evaluate federally supported education programs. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). By law, every NCES employee as well as every NCES agent, such as contractors and NAEP coordinators, has taken an oath and is subject to a jail term of up to 5 years, a fine of \$250,000, or both if he or she willfully discloses ANY identifiable information about you. Electronic submission of your information will be monitored for viruses, malware, and other threats by Federal employees and contractors in accordance with the Cybersecurity Enhancement Act of 2015.

Kittatinny Education Foundation

The Kittatinny Education Foundation (**KEF**) would like to invite all members of the Kittatinny School Community, which includes current Cougar Parents, Cougar Alumni, and parents of our Cougar Alumni, to join in our efforts to enhance the educational opportunities for all of our students in the Kittatinny School District and to engage the entire community in philanthropic giving that strengthens our public schools, supports our teachers, and inspires our students.

The **KEF** is a philanthropic Non-profit 501-3C organization whose goals are to raise private funds **which are tax deductible donations**. These funds will assist in helping to provide the excellent programs that Kittatinny has long been known for in our school and around our campus. This funding will help offset the loss in aid that we have experienced over these last five years due to state aid cuts and will allow our school and programs to thrive. Our vision is to provide our School Community with the same quality programs and facilities that are a hallmark of Kittatinny, by raising money through sponsorships, private donations, and fundraising events. These fundraising events will become regular opportunities to reconnect and have some fun with former Kittatinny Cougar families as well as our current Cougar families. Although some of us have moved away, many in our Cougar Community still live in our area and we hope that ALL of our Cougar Family, near and far, would enjoy an opportunity to reconnect with our Cougar Nation!

If you are interested in getting involved with and want to help the **KEF** please send your email and cell phone information to:

or

Dr. Craig Hutcheson

We thank you for everything you do for the Kittatinny Community and we hope to connect with everyone very soon!
