Annalyse Tattoli won for the 2 foot long hollow Sculpture she created of a Large Hand-built Snail. KALEIDOSCOPE SERVICE LEARNING PROJECT

NATIONAL YOUTH LEADERSHIP COUNCIL
YOUTH AS SOLUTIONS TEAM IN ENVIRONMENTAL JUSTICE

This year, students in Kaleidoscope 8 have been exploring the issue of water scarcity and its impact on people. One in nine people worldwide face an insufficient supply of water.

In 80% of water-deprived households, women and girls carry the burden of water collection. In rural parts of India, women and girls walk an average of 2 miles a day in the heat carrying water on their heads, known as "head loading." A container filled with water typically weighs between 40-50 pounds, about the same weight as a checked piece of luggage on an airplane. This leads to health issues, limits opportunities for employment or education and traps families into poverty.

Wells on Wheels provides a solution to some of these issues. The Water Wheel is a large drum fitted with handles that can be rolled along the ground, even rough terrain, alleviating neck, back and head health issues. It also can carry five times more water than a pail, cutting water collection time almost in half.

A donation of \$35 for each Water Wheel positively impacts the life of a family.

Learn more at <https://www.wellsonwheels.co.uk/>

To raise funds for Wells on Wheels, Kaleidoscope 8 is selling reusable water bottles for \$20 with \$5 donated to Wells on Wheels.

See flyer below for more information.

HOW CAN YOU HELP?

Students can join us in our H₂O Heroes Homeroom Contest from March 1 through March 15. Earn "Water Superheroes" for every \$5 collected. The top 3 homerooms will earn prizes.

Kittatinny Education Foundation

The Kittatinny Education Foundation (**KEF**) would like to invite all members of the Kittatinny School Community, which includes current Cougar Parents, Cougar Alumni, and parents of our Cougar Alumni, to join in our efforts to enhance the educational opportunities for all of our students in the Kittatinny School District and to engage the entire community in philanthropic giving that strengthens our public schools, supports our teachers, and inspires our students.

The **KEF** is a philanthropic Non-profit 501-3C organization whose goals are to raise private funds **which are tax deductible donations**. These funds will assist in helping to provide the excellent programs that Kittatinny has long been known for in our school and around our campus. This funding will help offset the loss in aid that we have experienced over these last five years due to state aid cuts and will allow our school and programs to thrive. Our vision is to provide our School Community with the same quality programs and facilities that are a hallmark of Kittatinny, by raising money through sponsorships, private donations, and fundraising events. These fundraising events will become regular opportunities to reconnect and have some fun with former Kittatinny Cougar families as well as our current Cougar families. Although some of us have moved away, many in our Cougar Community still live in our area and we hope that ALL of our Cougar Family, near and far, would enjoy an opportunity to reconnect with our Cougar Nation!

If you are interested in getting involved with and want to help the **KEF** please send your email and cell phone information to:

Mrs. Jane Meyers (Jane Meyers)

jjunoir@krhs.net

or

Dr. Craig Hutcheson

chutches@krhs.net

We thank you for everything you do for the Kittatinny Community and we hope to connect with everyone very soon!

With Warm Regards,

The Kittatinny Education Foundation
